Chapter I

Introduction

Reservation and the task of listing of castes/communities has had a long history, which started from the early period of our history with Manu. Medieval chronicles contained a description of communities located in various parts of the country. Listings in the colonial period were undertaken on an extensive scale, after 1806. The process gathered momentum in course of the censuses from 1881 to 1941. The Backward Classes movement first gathered momentum in South India particularly in Tamil Nadu where reservation was introduced much before Independence.

Reservation in favour of Backward Classes (BCs) was introduced even many years before Independence in most of the area comprising the Presidencies and Princely States south of the Vindhya. In view of Article 16(4) of the Constitution and in response to demands for reservation and other benefits for Backward Classes in other parts of India and in the Centre, the Govt. of India appointed a Backward Classes Commission under Article 340 of the Constitution on 29th January, 1953. The Commission, popularly known as the Kaka Kalelkar Commission, was required "to investigate the conditions of socially and educationally backward classes within the territory of India and the difficulties under which they labour and to make recommendations as to the steps that should be taken by the Union or any State to remove difficulties and to improve their conditions." The Commission submitted its report on 30th March, 1955. It was considered by the Government over the next half-decade but was rejected in 1961.

The Backward Classes had to wait for nearly two more decades for the next step at the Central level. The Government of India appointed the Second Backward Classes Commission (Mandal Commission) on 1st of January, 1979 to investigate the conditions of the Socially and Educationally Backward Classes and recommend the criteria for defining such classes of citizens, steps to be taken for their advancement and examine the desirability or otherwise of making provision for the reservation of appointments or posts in favour of such backward classes of citizens which are not adequately represented in public services and posts in connection with the affairs of the Union or of any State. The Commission submitted its report on 31st December, 1980.

The first tangible step for the implementation of the recommendations of the Mandal Commission's Report was taken in 1990. It was on 6th August, 1990 that the Government of India took the historic decision to introduce reservation of 27% for Backward Classes on the basis of the Mandal Commission's recommendations. This was announced in the Parliament by the Prime Minister of India on the 7th August, 1990. Formal orders were issued thereafter in Office Memorandum No. 36012/31/90-Estt. (SCT) dated 13th August, 1990 (Annexure-I) providing reservation for Socially and Educationally Backward Classes (SEBCs) of 27% of the vacancies filled by direct recruitment in civil posts and services under the Central Government and Public Sector Undertakings and Financial Institutions for SEBCs. A number of writ petitions were filed in the Supreme Court questioning the said Memorandum along with applications for staying the operation of the Memorandum. The operation of the O.M. was stayed by the Supreme Court. The stay continued in force till 16th November, 1992, when the Supreme Court finally disposed off these writ petitions. Another Office Memorandum was issued on 25th September, 1991 reiterating in essence the O.M. of 13th August, 1990 and partly modifying it (Annexure-II). The Supreme Court in its landmark judgement dated 16-11-1992 in Writ Petition (Civil) No. 930 of 1990, Indra Sawhney etc. etc. Vs Union of India & Others etc. etc., popularly known as the Mandal Case held O.M. No. 36012/31/90-Estt. (SCT) dated 13-8-1990 valid and enforceable subject to the exclusion to the

socially advanced persons/sections from the notified Backward Classes. It directed that the implementation of the O.M. dated 13-8-1990 shall be subject to the exclusion of the socially advanced members/sections ('Creamy Layer' as it was termed) of the Backward Classes. Another direction of the Supreme Court required the Government of India, and each of the State Governments and Administrations of Union Territories to constitute a permanent body, in the nature of a Commission or Tribunal, for entertaining and advising the respective Governments on the requests for inclusion and complaints of over inclusion or under-inclusion in the lists of Backward Classes and also directed that the Advice tendered by such body shall ordinarily be binding upon the concerned Government. The directions of the Supreme Court contained in the Judgement are appended (Annexure-III).

In accordance with the direction of the Supreme Court regarding the Socially Advanced Persons/Sections, the Government of India *vide* its Resolution No. 12011/16/93-BCC(C)—Ministry of Welfare dated the 22nd February, 1993 (Annexure-IV) set up an Expert Committee, initially to determine the basis, *viz.*, the criteria for identification of the Socially Advanced Persons/Sections in so far as the Government of India was concerned. The Committee started functioning from 23rd February, 1993 and furnished its report on 10-3-93.

The O.M. of the 13th of August, 1990 as upheld and in accordance with the directions of the Supreme Court and this was implemented through Department of Personnel & Training, O.M. No. 36012/22/93-Estt.(SCT) dated 8th September, 1993 and Ministry of Welfare, Resolution No. 12011/68/93-BCC(C), dated 10th September, 1993 (Annexure-V & VI). The O.M. dated 8th September, 1993 incorporated in the O.M. of 13th August, 1990 the rule of exclusion of Socially Advanced Persons/Sections from reservation, on the basis of the recommendations of the Expert Committee, thus fulfilling the condition laid down by the Supreme Court for the implementation of the O.M. of 13th August, 1990. The order contained in the Resolution dated 10th September, 1993 of the Ministry of Welfare notified the first phase lists of Backward Classes for 14 States, on the basis of the recommendations of the Expert Committee on Backward Classes.

In pursuance of this direction of the Supreme Court, the Government of India enacted the National Commission for Backward Classes Act, 1993 (Act No. 27 of 1993) (Annexure-VII), setting up a National Commission for Backward Classes at the Centre. Section 3 of the Act provides that the Commission shall consist of five members, namely, a Chairperson who is or has been a judge of the Supreme Court or of a High Court, a social scientist, two persons who have special knowledge in matters relating to backward classes and a Member-Secretary who is or has been an officer of the Central Government in the rank of a Secretary to the Government of India. The functions of the Commission are laid down in section 9 and section 11 of the Act. Under Section 9(1) of the Act it shall "examine Requests for Inclusion of any class of citizens as a backward class in the lists and hear Complaints of Over-Inclusion or Under-Inclusion of any backward class in such lists and tender such advice to the Central Government as it deems appropriate". Under Section 9(2) of the Act, the advice of the Commission shall ordinarily be binding upon the Central Government. Another function of the Commission arises from Section 11 of the Act which, in the light of a direction of the Supreme Court, enjoins upon the Central Government to undertake revision of the lists at the expiration of ten years from coming into force of this Act and every succeeding period of ten years, and enables it to undertake such revisions at any time, with a view to excluding from such lists those classes who have ceased to be backward classes or for including in such lists new backward classes. Under sub-section (2) of this Section, the Central Government is required to consult the Commission while undertaking such revision. While performing its functions under Section 9(1) of the Act, the Commission has, by section 10, been vested with all the powers of a civil court trying a suit and in particular, in respect of the summoning and enforcing the attendance of any person from any part of India and examining him on oath; requiring the discovery and production of any document; receiving evidence on affidavits; requisitioning any public record or copy thereof from any court or office; issuing notices for the examination of witnesses and documents; and any other matter which may be prescribed. Section 8(2) empowers the National Commission for Backward Classes to regulate its own procedure. Sections 14 and 15 provide that the Commission shall prepare its annual report for each financial year which together with a memorandum of action taken on the advice tendered by the Commission under Section 9 and the reasons for the non-acceptance, if any, of any such advice and the audit report shall be laid

by the Central Government before each House of Parliament. The Act came into effect on the 2nd April, 1993. The Government of India constituted the Commission by its Notification No. 12011/34/BCC(C)Pt. I dated 14th August, 1993 with the first team of five Members with a tenure of three years (Annexure-VIII).

Review of Income Criteria

The first review of the income criteria to exclude socially advanced persons/sections among OBCs was entrusted to the NCBC on 6th December, 2003. The Commission submitted its report on 23rd January, 2004 and recommended that the income limit to determine the socially advanced persons/sections among OBCs be raised from Rs. 1 lakh to Rs. 2.5 lakhs. The recommendations contained in the Report were accepted by the Government along with the recommendation that the task of future Periodic Review of the Income criteria should be taken up every three years or earlier, if the situation demands. The Government of India notified the above *vide* DoP&T O.M.No. 36033/3/2004-Estt. (Res.) dated 9th March, 2004 raising the income limit to Rs. 2.5 lakhs.

Having regard to the fact that the period of three years have since elapsed from the date of issue of O.M. dated 9th March, 2004, raising the income limit to Rs. 2.5 lakhs, the Government of India, the Ministry of Social Justice & Empowerment, *vide* Office Order No. 12015/13/2007-BCC dated December, 2007, have entrusted the task of review of the income criteria to this Commission. The Commission has also been asked to give suggestions/recommendations on some other issues relating to the creamy layer criteria. The terms of reference given to the Commission are as follows:—

- (I) To review the existing ceiling of income/wealth to determine the 'Creamy Layer' amongst OBCs as notified *vide* Department of Personnel & Training (DoPT) OM No. 36012/22/93-Estt.(SCT) dated 8th September, 1993.
- (II) To evolve and suggest formulae through which the periodic revision of income ceiling/criteria in terms of quantum or rupee be fixed so that the income ceiling for determining the 'Creamy Layer' amongst OBCs is revised from time to time as per the formulae.
- (III) Also to consider and advise the Government on the following:—
 - (a) Whether the 'Creamy Layer' criteria will apply only to sons/daughters of the persons mentioned in the respective categories, such as, the service category or also to the persons themselves.
 - (b) Whether the rule of exclusion will apply where the income from salaries alone or from agricultural land alone, exceeds the prescribed limit or the income ceiling will apply to the consolidated income from both.
 - (c) The committee may also examine as to how income from sources other than salary or agricultural land is to be dealt with.
 - (d) Evaluation of posts equivalent or comparable in the public sector undertakings, banks, insurance organizations, universities or comparable posts and positions under private employment for the purpose of application of the criteria enumerated in category II-A and II-B.
 - (e) Presently, if any person in categories I, II, III and V-A, who is not ineligible to receive the benefit of reservation has income from other sources of wealth (without clubbing his income from salary or agricultural land) which will bring him within the criteria under item VI, then he shall be ineligible for reservation. In this context, it may be examined whether, irrespective of the post, service, employment, profession, trade, industry, etc., if the income of a parent or the combined income of parents exceeds the limits specified under category VI, the rule of exclusion be applied.

The Commission also received hundreds of representations requesting to review and enhance the existing Rs. 2.5 lakhs. Many of the representationists also sought the removal of creamy layer criteria, on the ground

that the same is not applied to the Scheduled Castes and Scheduled Tribes and that the Backward Classes have not reached the level of creamy layer, as the Central recognition to the list and reservations came into operation after 46 years of independence. There have also been suggestions for simplification of the existing order and avoid ambiguities and anomalies, causing hardship to the Backward Class candidates, who are made to run from pillar to post for securing caste and income certificates. The need for raising the income limit of Rs. 2.5 lakh was also expressed by the public during the visit of the Commission to various States/UTs for the Public Hearings.

In view of the very short period given to the the Commission for giving its suggestions/recommendations, the Commission issued Public Notices through leading national and regional newspapers throughout the country seeking views and suggestions of the general public in the matter, especially those of the Backward Classes and their associations and organizations. The Commission also sought the views and suggestions from the State Governments and Union Territories by separately writing to the respective Chief Secretaries/Secretaries in charge of Backward Classes Welfare Ministries/Departments. The Commission also addressed the State Backward Classes Commissions and the Commissions or Committees in the Union Territories seeking their valuable views in the matter and forward any report compiled by them in this regard.

In response to the public notice, a large number of representations were received from individuals, associations and organizations from backward communities. Many of the views expressed were on specific aspects relating to enhancing the income limit (Creamy Layer) and others relating to simplification, anomalies and ambiguities in the existing Creamy Layer criteria. There have been demands from the public, especially from the members and associations/organization of Backward Classes to raise the income limit of Rs. 2.5 lakh to a reasonable level taking into account devaluation of rupee and increase in the overall price index, GDP, pay revision etc.

The Commission organised a meeting of Chairpersons of States/UT Backward Classes and Secretaries in Charge of the Backward Classes of State/UTs on 11th June, 2008, to gather their views and suggestions regarding review of income criteria. After receiving all the informations, data and interacting with the Government agencies/Departments concerned, the Commission had examined in detail and finalised the report and submitted it to the Government 01st July, 2008.

The recommendation contained in the Report were accepted by the government of India and notified the above vide DOP&T O.M.No. 36033/3/2004-Estt. (Res.) dated 14th October, 2008 raising the income limit to Rs. 4.5 lakhs (Annexure-IX).

Functions of the Commission

The functions of the commission are laid down in section 9 and section 11 of the Act. Under sub-section (1) of Section 9 of the Act the Commission " shall examine requests for inclusion of any class of citizens as a Backward Class in the lists and hear complaints of over-inclusion or under inclusion of any Backward Class in such lists and tender such advice to the Central Government as it deems appropriate". The term " list" in this section refers to "lists prepared by the Government of India from time to time for purposes of making provision for the reservation of appointments or posts in favour of backward classes of citizens which, in the opinion of that Government, are not adequately represented in the services under the Government of India and any local or other authority within the territory of India or under the control of the Government of India" The term " backward classes" has been defined in clause (a) of the same section (section 2) to mean such Backward Classes of citizens other than the Scheduled Castes and the Scheduled Tribes as may be specified by the Central Government in the lists".

Under Section 9 (2) of the Act, " The advice of the Commission shall ordinarily be binding upon the Central Government ". This mandatory provision is based on and incorporates the directions of the Supreme Court in the Mandal Judgement, which directed the Government of India and the State Governments/ Union Territories to constitute a permanent body, in the shape of a National Commission for Backward Classes and the State Commissions for Backward Classes and that the " advice tendered by such bodies shall ordinarily be binding upon the Government" (*vide extract* of the Judgement at Annexure-III).

Section 11 of the Act enjoins upon the Central Government to undertake revision of the lists of backward classes at the expiration of ten years after the Act came into force and thereafter every succeeding period of ten years, and enables it to undertake such revision at any time, with a view to excluding from such lists those classes who have ceased to be backward classes or for including in such lists new backward classes. Under sub-section (2) of this Section, the Central Government is required to consult the Commission while undertaking such revision. While performing its functions under Section 9 (1) of the Act, the Commission has been vested with all the powers of a civil court trying a suit and in particular, in respect of the summoning and enforcing the attendance of any person from any part of India and examining him on oath; requiring the discovery and production of any document; receiving evidence on affidavits; requisitioning any public record or copy thereof from any court or office; issuing notices for the examination of witnesses and documents; and any other matter which may be prescribed.

Section 8(2) empowers the Commission to regulate its own procedure (*Annexure-X*). Sections 14 and 15 provide that the Commission shall prepare its annual report for each financial Year which together with a memorandum of action taken on the advice tendered by the Commission under Section 9 and the reasons for the non-acceptance, if any, of any such advice and the audit report shall be laid by the Central Government before each House of Parliament.

As per the procedure laid down by the Commission under Sub-section (2) of Section (8) of the National Commission for Backward Classes Act, 1993 the advice of the Commission may be formulated unanimously or by consensus or by majority. Where there is no unanimity or consensus, the advice of the majority will be tendered as the Commission's advice but the dissenting advice also will be furnished to Government. In regulating its procedure under Section 8(2) of the Act, the Commission has been guided by the principles of objectivity, transparency and speed. In fact soon after the Commission was established, it took the following steps under Section 8(2) of the NCBC Act, 1993:—

- (i) Formulated the procedure for examination of requests for inclusion in the lists and complaints of over-inclusion or under-inclusion in the Central list of Backward Classes.

(ii) Formulated Guidelines for consideration of requests for inclusion and complaints of under-inclusion in the Central list.

(iii) Prepared questionnaire for obtaining data in respect of requests for inclusion of castes/communities.

The Commission has been making additions and improvements to this procedure from time to time, based on experience and according to needs.

G.I., Dept. of Per. & Trg., O.M. No. 36012/31/90-Est. (SCT), dated 13.8.1990

SUBJECT: 27% Reservation for Socially and Educationally Backward Classes in Civil Posts/Services.

In a multiple undulating society like ours, early achievement of the objective of social justice as enshrined in the Constitution is a must. The Second Backward Classes Commission, called the MANDAL COMMISSION, was established by the then Government with this purpose in view, which submitted its report to the Government of India on 31st December, 1980.

2. Government have carefully considered the report and the recommendations of the Commission in the present context regarding the benefits to be extended to the socially and educationally backward classes as opined by the Commission and are of the clear view that at the outset certain weightage has to be provided to such classes in the services of the Union and their Public Undertakings. Accordingly orders are issued as follows:—

- (i) 27% of the vacancies in civil posts and services under the Government of India shall be reserved for SEBC.
- (ii) The aforesaid reservation shall apply to vacancies to be filled by direct recruitment. Detailed instructions relating to the procedure to be followed for enforcing reservation will be issued separately.
- (iii) Candidates belonging to SEBC recruited on the basis of merit in an open competition on the same standards prescribed for the general candidates shall not be adjusted against the reservation quota of 27%.
- (iv) The SEBC would comprise in the first phase the castes and communities which are common to both the lists in the report of the Mandal Commission and the State Governments' lists. A list of such castes/communities is being issued separately.
- (v) The aforesaid reservation shall take effect from 7.8.1990. However, this will not apply to vacancies where the recruitment process has already been initiated prior to the issue of these orders.

3. Similar instructions in respect of public sector undertakings and financial institutions including public sector banks will be issued by the Department of Public Enterprises and Ministry of Finance respectively.

G.I., Dept. of Per. & Trg., O.M. No. 36012/31/90-Est. (SCT), dated 25.9.1991

SUBJECT: Amendment to the 27% reservation in service for Socially and Educationally Backward Classes.

The undersigned is directed to invite the attention to OM of even number, dated the 13th August, 1990, on the above mentioned subject and to say that in order to enable the poorer sections of the SEBCs to receive the benefits of reservation on a preferential basis and to provide reservation for other economically backward sections of the people not covered by any of the existing schemes of reservation, Government have decided to amend the said Memorandum with immediate effect as follows:—

2. (i) Within the 27% of the vacancies in civil posts and services under the Government of India reserved for SEBCs, preference shall be given to candidates belonging to the poorer sections of the SEBCs. In case sufficient number of such candidates are not available, unfilled vacancies shall be filled by the other SEBC candidates.
 - (ii) 10% of the vacancies in civil posts and services under the Government of India shall be reserved for other economically backward sections of the people who are not covered by any of the existing schemes of reservations.
 - (iii) The criteria for determining the poorer sections of the SEBCs or the other economically backward sections of the people who are not covered by any of the existing schemes of reservations are being issued separately.
3. The OM of even number, dated the 13th August, 1990, shall be deemed to have been amended to the extent specified above.

**Judgement Writ Petition (Civil) No. 930 of 1990—Indira Sawhney
Versus Union of India
And others (16.11.1992)**

THE FOLLOWING DIRECTIONS ARE GIVEN TO THE GOVERNMENT OF INDIA, THE STATE GOVTS. AND THE ADMINISTRATION OF UNION TERRITORIES

123. (A) The Government of India, each of the State Governments and the Administrations of Union Territories shall, within four months from today, constitute a permanent body for entertaining, examining and recommending upon requests for inclusion and complaints of over-inclusion and under-inclusion in the lists of other backward classes of citizens. The advice tendered by such body shall ordinarily be binding upon the Government.

(B) Within four months from today the Government of India shall specify the bases, applying the relevant and requisite socio-economic criteria to exclude socially advanced persons/sections ('creamy layer') from 'Other Backward Classes'. The implementation of the impugned O.M. dated 13th August 1990, shall be subject to exclusion of such socially advanced persons ('creamy layer').

This direction shall not however apply to States where the reservations in favour of backward classes are already in operation. They can continue to operate them. Such States shall however evolve the said criteria within six months from today and apply the same to exclude the socially advanced persons/sections from the designated 'Other Backward Classes.'

(C) It is clarified and directed that any and all objections to the criteria that may be evolved by the Government of India and the State Governments in pursuance of the direction contained in clause (B) of Para 123 as well as to the classification among backward classes and equitable distribution of the benefits of reservations among them that may be made in terms of and as contemplated by clause (1) of the Office Memorandum dated 25th September 1991, as explained herein, shall be preferred only before this court and not before or in any other High Court or other court or Tribunal. Similarly, any petition or proceeding questioning the validity, operation or implementation of the two impugned Office Memorandums, on any grounds whatsoever, shall be filed or instituted only before this Court and not before any High Court or other Court or Tribunal.

124. The Office Memorandum dated August 13, 1990 impugned in these writ petitions is accordingly held valid and enforceable subject to the exclusion of the socially advanced members/sections from the notified 'Other Backward Classes', as explained in para 123(B).

Clause (i) of the Office Memorandum dated September 25, 1991 requires—to uphold its validity—to be read, interpreted and understood as intending a distinction between backward and more backward classes on the basis of degrees of social backwardness and a rational and equitable distribution of the

benefits of the reservations amongst them. To be valid, the said clause will have to be read, understood and implemented accordingly.

Clause (ii) of the Office Memorandum dated September 25, 1991 is held invalid and inoperative.

The writ Petitions and Transferred Cases are disposed of in the light of the principles, directions, clarifications and order contained in this Judgement.

No costs.
