Chapter -1

Introduction

The Indian Constitution through the Preamble envisages the Indian Republic to achieve the objective of securing to its citizens social, economic and political justice, liberty, equality and fraternity. It also elaborates the methodology to be followed for reaching this goal of social justice. Article 14 of the Constitution enjoins upon the State not to deny to any person equality before law or equal protection of laws. The principle of “right to equality” is further reiterated in positive and affirmative terms in Articles 15 to 18. Article 15 envisages not to discriminate any citizen and under clause (5) of Article 15, the State is empowered to make a special provision by law for advancement of any socially and educationally backward classes of citizens in the matter of admissions to the educational institutions. Special care was taken to declare equality of opportunity in the matter of public employment by Article 16. Clause (1) of this Article declares that in the matter of public employment or appointment to any office under the State, all citizens of this country shall have equal opportunity. At the same time, Clause (4) declares that nothing in the said Article shall prevent the State from making any provision for reservation of appointments or posts in favour of any backward class of citizens which in the opinion of the State is not adequately represented in the services under the State.

In order to fulfil the objective of providing equal opportunities to the weaker sections of the society, on the recommendations of Mandal Commission, Government of India, vide O.M. No. 36012/31/90-Est. (SCT) dated 13-8-1990, provided 27% reservation in Central posts and services to Backward Classes. However, its operation was challenged

in the Supreme Court. The Supreme Court in its land-mark judgement dated 16-11-1992 in Writ Petition (Civil) No 930 of 1990, Indra Sawhney etc. etc. Vs Union of India & Others etc. etc. (1992) Supp.3 SCC217, popularly known as the Mandal Case Judgement held O.M. No. 36012/31/90-Est. (SCT) dated 13-8-1990 valid and enforceable subject to the exclusion of the socially advanced persons/sections ('Creamy Layer' as it was termed) from the notified Backward Classes. Another direction of the Supreme Court required the Government of India, and each of the State Governments and Administrations of Union Territories to constitute a permanent body, in the nature of a Commission or Tribunal, for entertaining and advising the respective governments on the requests for inclusion and complaints of over-inclusion or under-inclusion in the lists of Backward Classes and also directed that the Advice tendered by such body shall ordinarily be binding upon the concerned Government.

In pursuance of this direction of the Supreme Court, the Government of India enacted the National Commission for Backward Classes Act, 1993 (Act No. 27 of 1993), setting up a National Commission for Backward Classes at the Centre. The Act came into effect on the 2nd April 1993. The Government of India constituted the Commission by its Notification No. 12011/34/BCC(C)/Pt. I dated 14th August, 1993 with the first team of five Members with a tenure of three years. Presently, the VIIth Commission is working under the Chairmanship of Hon'ble Justice V.Eswaraiah.

Review of Income Criteria

The first review of the income criteria to exclude socially advanced persons/sections among OBCs was entrusted to the NCBC on 6th December, 2003. The Commission submitted its report on

23rd January, 2004 and recommended that the income limit to determine the socially advanced persons/sections among OBCs be raised from Rs. 1 lakh to Rs. 2.5 lakhs. The recommendation contained in the Report were accepted by the Government along with the recommendation that the task of future Periodic Review of the Income criteria should be taken up every three years or earlier, if the situation demands. The Government of India notified the above vide DOP&T O.M.No. 36033/3/2004-Estt.(Res.) dated 9th March, 2004, raising the income limit to Rs. 2.5 lakhs (Annexure-II).

Having regard to the fact that the period of three years had elapsed from the date of issue of O. M. dated 9th March, 2004, raising the income limit to Rs. 2.5 lakhs, the Government of India, the Ministry of Social Justice & Empowerment, vide Office Order No. 12015/13/2007-BCC dated 27th December, 2007, entrusted the task of review of the income criteria to this Commission. The Commission had also been asked to give suggestions/recommendations on some other issues relating to the creamy layer criteria. The Commission submitted its report on 1st July, 2008 and recommended income limit for person/sections among OBCs to be raised from Rs. 2.5 lakhs to Rs. 4.5 lakhs.

The recommendations contained in the Report were accepted by the Government of India and notified vide DOP&T O.M.No. 36033/3/2004-Estt. (Res.) dated 14th October, 2008 raising the income limit to Rs. 4.5 lakhs (Annexure-III).

The Ministry of Social Justice & Empowerment vide Office Order No. 12015/10/2011-BC-II dated 15th July, 2011, again entrusted the task of review of the income criteria to this Commission. The Commission submitted its report on 14th September, 2011 and recommended income limit for person/sections among OBCs to be

raised from Rs. 4.5 lakhs to Rs. 12 lakh in urban areas i.e. Metropolitan cities and Rs. 9 lakhs in rest of the areas.

However, the Government of India vide DoPT O.M. No. 36033/1/2013-Estt.(Res.) dated 27th May, 2013 raised the income limit only to Rs. 6 lakhs (Annexure IV).

Chapter II

Functions of the Commission

The functions of the Commission are laid down in Section 9 and Section 11 of the National Commission for Backward Classes Act. Under sub-section (1) of Section 9 of the Act the Commission “shall examine requests for inclusion of any class of citizens as a Backward Class in the lists and hear complaints of over-inclusion or under inclusion of any Backward Class in such lists and tender such advice to the Central Government as it deems appropriate”. The term “list” in this section refers to “lists prepared by the Government of India from time to time for purposes of making provision for the reservation in appointments or posts in favour of backward classes of citizens which, in the opinion of that Government, are not adequately represented in the services under the Government of India and any local or other authority within the territory of India or under the control of the Government of India”. The term “backward classes” has been defined in clause (a) of the same Section (Section 2) to mean such Backward Classes of citizens other than the Scheduled Castes and the Scheduled Tribes as may be specified by the Central Government in the lists.

Under Section 9(2) of the Act, “The advice of the Commission shall ordinarily be binding upon the Central Government”. This mandatory provision is based on and incorporates the directions of the Supreme Court in the Mandal case Judgement, which directed the Government of India and the State Governments/Union Territories to constitute a permanent body, in the shape of a National Commission for Backward Classes and the State Commissions for Backward Classes and that the “advice tendered by such bodies shall ordinarily be binding upon the Government”.

Section 11 of the Act enjoins upon the Central Government to undertake revision of the lists of backward classes at the expiration of ten years after the Act came into force and thereafter every succeeding period of ten years, and enables it to undertake such revision at any time, with a view to excluding from such lists those classes who have ceased to be backward classes or for including in such lists new backward classes. Under sub-section (2) of this Section, the Central Government is required to consult the Commission while under-taking such revision. While performing its functions under Section 9(1) of the Act, the Commission has been vested with all the powers of a civil court trying a suit and in particular, in respect of the summoning and enforcing the attendance of any person from any part of India and examining him on oath; requiring the discovery and production of any document; receiving evidence on affidavits; requisitioning any public record or copy thereof from any court or office; issuing notices for the examination of witnesses and documents; and any other matter which may be prescribed.

Section 8(2) empowers the Commission to regulate its own procedure. Sections 14 and 15 provide that the Commission shall prepare its annual report for each financial year together with a memorandum of action taken on the advice tendered by the Commission under Section 9 and the reasons for the non-acceptance, if any, of any such advice and the audit report shall be laid by the Central Government before each House of Parliament.

As per the procedure laid down by the Commission under Sub-Section (2) of Section (8) of the National Commission for Backward Classes Act, 1993 the advice of the Commission may be formulated unanimously or by consensus or by majority. Where there is no

unanimity or consensus, the advice of the majority will be tendered as the Commission's advice but the dissenting advice also will be furnished to Government. In regulating its procedure under Section 8(2) of the Act, the Commission has been guided by the principles of objectivity, transparency and speed. In fact soon after the Commission was established, it took the following steps under Section 8(2) of the NCBC Act, 1993 :-

- (i) Formulated the procedure for examination of requests for inclusion in the lists and complaints of over-inclusion or under-inclusion in the Central list of Backward Classes.
- (ii) Formulated guidelines for consideration of requests for inclusion and complaints of under-inclusion in the Central list.
- (iii) Prepared questionnaire for obtaining data in respect of requests for inclusion of castes/communities.

The Commission has been making additions and improvements to this procedure from time to time, based on experience and according to needs.

Conferment of Review Powers on the Commission

The Power of the Commission has been widened by Gazette Notification No. 12011/9/2007-BCC dated 03/05/2011 wherein the Commission shall also have the power to review any earlier advice tendered erstwhile to the Central Government under sub-section (1) of Section-9 of NCBC Act, 1993.

Empowerment of the Commission

For the past many years, the Commission has been seeking the provision of Constitutional Status to the National Commission for Backward Classes. At present, the NCBC has been set up under the NCBC Act of 1993 but the power to look into the issues of welfare and complaints related to the Backward Classes are still entrusted to the National Commission for Scheduled Castes (NCSC) under clause (10) of Article 338 of the Constitution. As the result, the NCBC does not have any power to look into the complaints and welfare measures for the Backward Classes. Its role is presently limited only to inclusion and exclusion of castes from the Central List of OBCs.

For the empowerment of NCBC, a Constitutional Amendment would be necessary and this was the recommendation made by the Parliamentary Committee on Welfare of Other Backward Classes in 2012-13. Some steps were taken in this regard by Ministry of Social Justice & Empowerment but no finality has yet been achieved towards this end.

Consequent upon the constitution of VII Commission under the chairmanship of Hon'ble Justice V. Eswaraiah, a resolution for providing constitutional status to NCBC was passed by the Commission in its meeting held on 27th September, 2013 and was forwarded vide D.O 2/CP/NCBC/Misc./2013 dated 27.09.2013 to the then Minister of Social Justice & Empowerment, Government of India (Annexure V).

Chapter III

Launching of the upgraded Website of National Commission for Backward Classes

The Government of India has issued certain directives for the websites of Government Organisations i.e. “Guidelines for Indian Government Websites (GIGW)”. These Guidelines have to be followed by all the Government Departments/ Ministries/ PSUs/ Autonomous Bodies. The websites should adhere to Level AA of the Web Content Accessibility Guidelines (WCAG 2.0) of the World Wide Web Consortium (W3C).

The website of NCBC is widely accessed by individuals as well as Central and State Organizations to get authentic and reliable information regarding Backward Classes. NCBC website is also bound to comply with GIGW and fulfil all the required conditions like being disabled friendly, bilingual, linked to national portal of India etc.

In order to meet this objective, NCBC initiated the process of a complete overhaul of its website through NIC, Ministry of Communications & Information Technology. NICS I asked the following vendors from its panel to submit their technical and financial quotations for the redesigning work:

1. M/s Uneecops Technologies Ltd.
2. M/s Net Creative Mind Solutions Pvt. Ltd.
3. M/s Indusnet Technologies Pvt. Ltd.
4. M/s Akiko Sherman Infotech

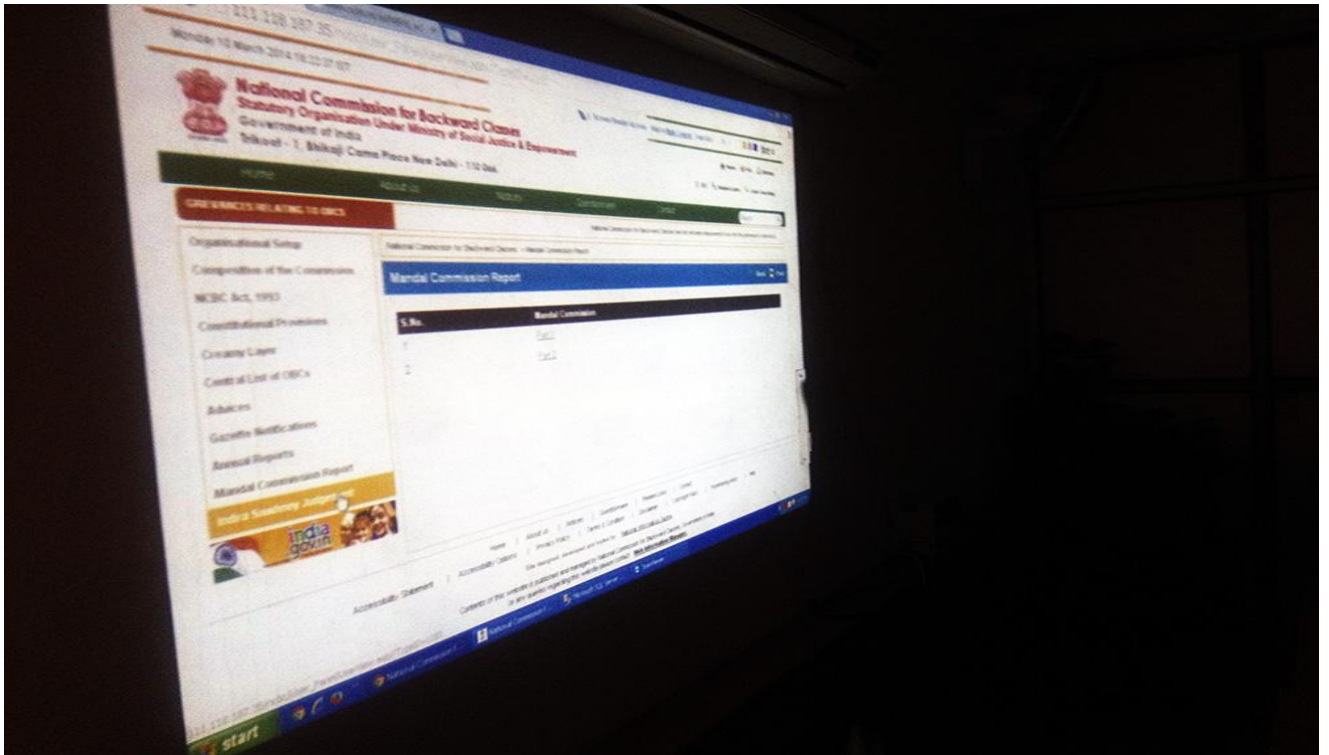

Three out of four vendors submitted their technical and financial quotations and on the basis of lowest financial bid, M/s Uneecops Technologies Ltd. was selected by NICS I for redesigning work of NCBC website. The total expenditure for redesigning, development and security audit was Rs. 10.31 lakhs.

The new website was developed and redesigned over a period of three months by M/s Uneecops Technologies in constant consultation with the team of NCBC officials. Several new features were added to the existing website. A search engine for various Backward Castes,

Photo Gallery, various Judgements relating to OBCs, Mandal Commission Report etc. were added in addition to making it visually appealing, disabled friendly, bilingual, up-to-date and conforming to GIGW standards.

Hon'ble Chairman, Justice V.Eswaraiah inaugurated the new website on 10.03.2014 in the presence of Hon'ble Member Dr. Shakeel-uz-Zaman Ansari, Hon'ble Member Secretary, Shri A.K.Mangotra and the team of NCBC officials and Uneecops Technologies Ltd.

The new website became live on 21.03.2014. It is hosted on the NIC server with the support of NIC, Ministry of Communications and Information Technology and is available for access by the public at large.

Inclusion of Jat Caste/Community in the Central List of OBCs

In its earlier Advices, NCBC had rejected the inclusion of Jat caste/community in the Central List of OBCs for the States of Uttar Pradesh, Madhya Pradesh, Haryana and NCT of Delhi. Even after a lapse of many years, no decision on the above Advices was taken by the Government of India. However, the Commission kept on receiving many requests/representations and Memoranda from individuals/organizations/associations requesting the NCBC to reconsider its earlier Advices. After, the review powers were made available to the NCBC, the inclusion of 'Jats' in the Central List of OBCs for the nine States of Haryana, Gujarat, NCT of Delhi, Uttarakhand, Uttar Pradesh, Himachal Pradesh, Rajasthan (Bharatpur and Dhaulpur Districts), Madhya Pradesh & Bihar again came up before the Commission.

The Commission, decided to approach the Indian Council for Social Science Research (ICSSR), to get a full-fledged survey (100% coverage) conducted in the six States of Uttar Pradesh, Haryana, Madhya Pradesh, Rajasthan, Himachal Pradesh and Gujarat to ascertain the Socio-Economic status of the 'Jat' community on the basis of their demand for inclusion in the Central List of OBCs. Subsequently, in October, 2012, it was felt that since most of the data required for the 'Jat' survey is being collected under the ongoing Socio-Economic Caste Census (SECC) 2011 by the RGI, it was decided to make use of the SECC to reduce the survey time and by utilizing the SECC data to the maximum. As a result thereof, it was decided to reduce the comprehensive survey to only a 2% sample survey with some additional collection of Socio-Economic data relevant for the exercise which was not being collected through the SECC. While this

was going on, the Government requested the NCBC to examine the available material on the Socio-Economic status of 'Jat' community on the basis of which a review/fresh advice could be rendered to the Government without going through with the 'Jat' survey. In effect, the NCBC was requested to evaluate the reports and the material available and determine the social and educational backwardness of 'Jats' and tender its Advice.

Immediately on receipt of this request from the Government of India, since the Commission did not have necessary research expertise to survey the availability of 'Jat' literature, the Commission decided in its meeting held on 2nd January, 2014 to request the ICSSR to set up an Expert Committee which could conduct an extensive literature survey and also undertake a study of the available books, reports, surveys etc. on the subject to ascertain whether sufficient material on the socio-economic and educational status of Jats has since become available to substitute the survey. A set of seventeen State Commissions Reports, Documents, Books available with the NCBC were sent to ICSSR along with a set of eighty five representations in favour and sixty four representations received against the proposal for inclusion of 'Jats' from various organizations/ associations/ individuals. The ICSSR conducted a literature survey and did not come up with any substantive reports or records over and above those already available with the NCBC, copies of which had been duly made available to the ICSSR by NCBC. These were thereafter thoroughly analysed in the NCBC. In addition, the Commission conducted a Public Hearing from 10.02.2014 to 13.02.2014 at Delhi to hear the arguments 'for' and 'against' the inclusion of Jats from the representatives (individuals and associations) of all the concerned States. Over two thousand representations received during the whole process were also examined and analysed by NCBC.

On examination of the various reports, material, books and oral submissions, it was concluded by the NCBC that 'Jats' as a class cannot be treated as a backward class. The Commission, therefore, rejected the request of the 'Jat' caste/community for their inclusion in the Central List of OBCs for all the concerned nine States. A comprehensive speaking Advice running into over 130 pages was prepared and sent to the Government in record time.

However, despite this rejection Advice of NCBC, the Government of India, went ahead with the inclusion of Jat caste/community in the Central List of OBCs for all the nine States and notified their inclusion vide Gazette Notification No. 20012/129/2009-BC-II dated 04.03.2014. This notification has since been challenged by multiple petitions before the Hon'ble Supreme Court and the matter is presently sub-judice.

Public Hearing for inclusion of JAT caste/community in the Central List of OBCs for Nine States held from 10/02/2014 to 13/02/2014 at Delhi.

Public Hearing for inclusion of JAT caste/community in the Central List of OBCs for Nine States held from 10/02/2014 to 13/02/2014 at Delhi.

AGENDA ITEM:

Providing constitutional or statutory mechanism of National Commission for Backward Classes (NCBC) for implementation and enforcement of Special Provisions and safeguards provided under the Constitution particularly with reference to Article 15 (4), 15(5) and Article 16 (4) and 16 (4B) of the Constitution of India or any other statutory measures for welfare of Backward Classes.

RESOLUTION

With reference to the above and keeping in view of the background of 52% of the backward class population and to protect their safeguards and welfare measures to provide special provisions and enable to take steps to remove their backwardness, specific constitutional provisions were expressly provided under Constitution viz., Articles 15 (4), 16(4) and Article 340 of the Constitution of India. To achieve the above object apart from the various steps taken by the respective State Governments at the State level, the Central Government has appointed Second Backward Class Commission under Article 340 which is known as "Mandal Commission". The

action taken pursuant to the report providing 27% reservations at the National level was the subject matter of the Indra Sawhney v. UOI, (1992) Suppl. 3 SCC 217 dated 16.11.1992, but the Hon'ble Supreme Court in the said Judgment directed the Central and State Governments to create a permanent mechanism (Commission) for examining the request of inclusion and complaints of over inclusion in the list of backward classes. Pursuant to the said direction the Central Government constituted NCBC under Central Act 27/1993 only conferring a limited powers, consideration of the requests of the inclusion and complaints of over inclusion of backward class in the BC List. Thus, the NCBC has a very nominal and limited role to the aforesaid effect. There is no constitutional or statutory mechanism to investigate all the matters relating to the safeguards provided for the backward classes in terms of Article 338 for Scheduled Castes and Scheduled Tribes. NCBC has recommended for inclusion of several castes and communities in the NCBCs list so far. There were several complaints and representations addressed to the NCBC.

In the subject cited above, there is 52% of backward class population in entire India and they are deprived of their rights. Having regard to the importance of the matter to provide a suitable Special Provisions to enable to take steps and special provision were provided under Article 15 (4) and 15 (5) and 16 (4) and 16 (4b) and also Article 340 was incorporated to investigate the conditions of SC/BCs within the territory of India and the difficulties under which they labour and they make recommendations as to the steps that should be taken by

Union and State to remove such difficulties and to improve their conditions and as to the grants that should be made for the purposes of the Union or any State. But, however, only one effective Mandal Commission was appointed, the said Commission was submitted report in the year 1980 and the recommendation of the said Mandal Commission was subject matter of Supreme Court Judgment in Indra Sawhney v. UOI, (1992) Suppl. 3 SCC 217 dated 16.11.1992. While considering the Mandal Commission recommendations, the Hon'ble Supreme Court has directed the Central and State Governments to create a permanent mechanism in the nature of Commission for examining the requests of inclusion and complaints of over inclusion in the list of BCs.

Pursuant to the said direction, Central Government constituted NCBC under Central Act, 27/1993 only conferring of limited powers for consideration of the requests for inclusion and examining the complaints of over inclusion or under inclusion of backward classes in the BC list. From the inception of the Commission, it recommended number of communities and castes for inclusion in the list and Central Government was pleased to accept the same and included the said caste in the backward classes list. NCBC is functioning only to a limited extent as confined to its role in terms of Section 9 of the Act as aforesaid. In view of creating NCBC, appointment of any Commission at the National Level is not materialized and practically there is no action taken by the Central Government under Section 340. Since from the inception of the constitution only one effective

Mandal Commission was appointed and submitted its report in the year 1980. But, however, there are large number of complaints and representations in the entire country to that effect. There is no constitutional or statutory mechanism to safeguard and enforce and monitor the interest of the backward classes at the Central or State Government level in terms of Article 338 and 338 A as provided for Scheduled Castes (SCs) or Scheduled Tribes (STs).

It is submitted there was considerable complaints and representations from OBCs to the NCBC to take appropriate action. The complaints received by the Commission are forwarded to the National Commission for Schedule Castes hoping said Commission has empowered to take steps under Clause 10 of Article 338. But, however, the said purpose was not materialized, may be the Commission is empowered to take steps only for those backward classes and communities specified by the President by Order on receipt of the report submitted under Article 340.

In view of the above sequence of events, it may not be possible to act National Commission for Schedule Caste to take steps in the matter. The NCBC submitted various representations right from 12-12-2004 onwards requesting for conferring constitutional status on the NCBC empowering it with the functions and powers analogous to those exercised by the NCSC. The Committee for the Welfare of OBCs in the 15th Lok Sabha presented its first report before the Lok Sabha and Rajya Sabha on 27-8-2012 proposing to delete clause (10) of

Article 338 of the Constitution and recommended that all the issues pertaining to the welfare of OBCs including the complaints, grievances etc. should be dealt with by the NCBC by amending the Constitution.

Therefore the Commission opines and earnestly requests the Ministry to take appropriate steps at the earliest to provide a suitable constitutional or statutory mechanism providing the powers in terms of Article 338 or 338A for NCBC for effective implementation of social justice and to safeguard the interest of the 52% of backward class population, because without the support of the statutory mechanism in terms of Article 338, it is not possible to safeguard the interest of the backward classes. The present statutory mechanism of NCBC is only limited in purpose of inclusion and exclusion of castes/communities from OBC Lists. Therefore the Commission requests the Ministry to take appropriate steps for providing the suitable statutory mechanism on par with under Article 338.
