Chapter -1

Introduction

The National Commission for Backward Classes has been set up as a statutory organisation under the Ministry of Social Justice & Empowerment under the National Commission for Backward Classes Act, 1993 (Act No. 27 of 1993). The Act came into effect from 2nd April 1993. The first Commission was constituted by Notification No. 12011/34/BCC(C)/Pt. I dated 14th August, 1993 with five Members with tenure of three years. Till date seven Commissions have been constituted and presently the seventh Commission is working under the Chairmanship of Hon'ble Justice V.Eswaraiah.

The mandate of the Commission is to examine the requests for inclusion and exclusion of castes in the Central Lists of Other Backward Classes (OBCs) and give suitable advice to the Government of India. With this power vested in the Commission, it has always tried to work without fear or favour for the cause of social justice and welfare of the OBCs. The Commission objectively examines the requests of the various caste groups and tenders its advice based on a thorough and detailed examination of each case. The Commission has been vested the powers of a Civil Court and performs its function as a quasi- judicial body. The Commission goes out of its way to help the backward classes by drawing the attention of the highest levels in the Government towards various burning issues plaguing the backward classes. During the year under reference also, apart from various brain storming sessions on the Creamy Layer issue, the Commission has highlighted and taken up the issues of recognition of Backward Classes Employees Associations, reservation in private sector for OBCs, reservation for OBCs in Delhi Judicial Services etc. with the highest levels of Government.

Review of Income Criteria

The first expert committee appointed by the Government of India submitted its creamy layer report on 10.03.1993 with the provision to review the income criteria for categories other than the service category every three years or earlier. The first review of the income criteria to exclude socially advanced persons/sections among OBCs was entrusted to the NCBC on 6th October, 2003. The Commission submitted its report on 23rd January, 2004 and recommended that the income limit to determine the socially advanced persons/sections among OBCs be raised from Rs. 1 lakh to Rs. 2.5 lakhs. The recommendations contained in the Report were accepted by the Government along with the recommendation that the task of future Periodic Review of the Income criteria should be taken up every three years or earlier, if the situation demands. The Government of India notified the higher income limit vide DOP&T O.M.No. 36033/3/2004-Estt.(Res.) dated 9th March, 2004, raising the income limit to Rs. 2.5 lakhs.

Having regard to the fact that the period of three years had elapsed from the date of issue of O. M. dated 9th March, 2004, the Government of India in the Ministry of Social Justice & Empowerment, vide Office Order No. 12015/13/2007-BCC dated 27th December, 2007, entrusted the task of review of the income criteria to this Commission. The Commission had also been asked to give suggestions/recommendations on some other issues relating to the creamy layer criteria. The Commission submitted its report on this subject on 1st July, 2008 and recommended that the income limit for person/sections among OBCs be raised from Rs. 2.5 lakhs to Rs. 4.5 lakhs. These recommendations contained in the Report were accepted by the Government of India and notified vide DOP&T O.M.No. 36033/3/2004-Estt. (Res.) dated 14th October, 2008 raising the income limit to Rs. 4.5 lakhs.

The Ministry of Social Justice & Empowerment vide Office Order No. 12015/10/2011-BC-II dated 15th July, 2011, again entrusted the task of review of the income criteria to this Commission. The Commission submitted its report on 14th September, 2011 and recommended income limit for person/sections among OBCs to

be raised from Rs. 4.5 lakhs to Rs. 12 lakh in urban areas i.e. Metropolitan cities and Rs. 9 lakhs in the remaining areas. However, the Government of India vide DoPT O.M. No. 36033/1/2013-Estt.(Res.) dated 27th May, 2013 raised the income limit only to Rs. 6 lakhs.

Ministry of Social Justice & Empowerment vide letter No. 12015/18/2013-BC-II dated 27th June, 2014 requested NCBC to comprehensively re-examine the criteria and income limit for determination of creamy layer of OBCs. A five member team of Joint Secretaries from the concerned Departments of Government of India was set up to assist the Commission in examining the whole gamut of issues pertaining to the creamy layer and submit its recommendations to the Government.

The Commission held a series of meetings on the various aspects of the subject and also received inputs and suggestions from the Officers of DoPT, MoSJE, DFS, DHE and DPE. Apart from this, discussions were also held with representatives of the Corporate and Private sectors, agriculturists and views of the State Government were also taken on board.

The guiding principle behind the changes proposed to the Rule of Exclusion (popularly known as the Creamy Layer) was the need to prevent misuse of the various lacunae in the existing instructions and the need to keep the instructions as simple as possible to prevent any misinterpretation at the field level.

After taking into consideration all the material before it, the Commission submitted its report dated 2nd March, 2015 and has recommended an increase of the income limit from Rs. 6 Lakhs to Rs 10.5 Lakhs. In its Supplementary Report dated 26th October, 2015 the Commission recommended to further enhance the income limit from Rs. 6 Lakhs to Rs 15 Lakhs.

Empowerment of the Commission

For the past many years, the Commission has been seeking the provision of Constitutional Status to the National Commission for Backward Classes. At present,

the NCBC has been set up under the NCBC Act of 1993 but the power to look into the issues of welfare and complaints related to the Backward Classes continues to be entrusted to the National Commission for Scheduled Castes (NCSC) under clause (10) of Article 338 of the Constitution. As the result, the NCBC does not have any power to look into the complaints and welfare measures for the Backward Classes. Its role is presently limited only to inclusion and exclusion of castes from the Central List of OBCs.

For the empowerment of NCBC, a Constitutional Amendment would be necessary and this was the recommendation made by the Parliamentary Committee on Welfare of Other Backward Classes in 2012-13. Some steps were taken in this regard by Ministry of Social Justice & Empowerment but no finality has yet been achieved towards this end. NCBC has passed several Resolutions dated 05.12.2003, 21.12.2004, 12.07.2007, 25.11.2008, 09.08.2010, 09.09.2010, 27.09.2013 and 28.05.2014 in this regard and forwarded to the Ministry of Social Justice & Empowerment.

Chapter II

Functions of the Commission

The functions of the Commission are laid down in Section 9 and Section 11 of the National Commission for Backward Classes Act 1993. Under sub-section (1) of Section 9 of the Act the Commission “shall examine requests for inclusion of any class of citizens as a Backward Class in the lists and hear complaints of over-inclusion or under inclusion of any Backward Class in such lists and tender such advice to the Central Government as it deems appropriate”. The term “list” in this section refers to “lists prepared by the Government of India from time to time for purposes of making provision for the reservation in appointments or posts in favour of backward classes of citizens which, in the opinion of that Government, are not adequately represented in the services under the Government of India and any local or other authority within the territory of India or under the control of the Government of India”. The term “backward classes” has been defined in clause (a) of the same Section (Section 2) to mean such Backward Classes of citizens other than the Scheduled Castes and the Scheduled Tribes as may be specified by the Central Government in the lists.

Under Section 9(2) of the Act, “The advice of the Commission shall ordinarily be binding upon the Central Government”. This mandatory provision is based on and incorporates the directions of the Supreme Court in the Mandal case Judgement, which directed the Government of India and the State Governments/Union Territories to constitute a permanent body, in the shape of a National Commission for Backward Classes and the State Commissions for Backward Classes and that the “advice tendered by such bodies shall ordinarily be binding upon the Government”.

Powers of Government of India When Specific Legislation is there

As stated in Ram Singh Case:

“47. Of relevance, at this stage, would be one of the arguments advanced on behalf of the Union claiming a power to it self to bypass the NCBC and to include groups of

citizens in the Central List of OBCs on the basis of Article 16 (4) itself. Undoubtedly, Article 16(4) confers such a power on the Union but what cannot be overlooked is the enactment of the specific statutory provision constituting a Commission (NCBC) whose recommendations in the matter are required to be adequately considered by the union Government before taking its final decision. Surely, the union cannot be permitted to discard its self-professed norms which in the present case are statutory in character.”

Section 11 of the Act enjoins upon the Central Government to undertake revision of the lists of backward classes at the expiration of ten years after the Act came into force and thereafter every succeeding period of ten years, and enables it to undertake such revision at any time, with a view to excluding from such lists those classes who have ceased to be backward classes or for including in such lists new backward classes. Under sub-section (2) of this Section, the Central Government is required to consult the Commission while under-taking such revision. As stated earlier no such decadal revision has taken place so far. While performing its functions under Section 9(1) of the Act, the Commission has been vested with all the powers of a civil court trying a suit and in particular, in respect of the summoning and enforcing the attendance of any person from any part of India and examining him on oath; requiring the discovery and production of any document; receiving evidence on affidavits; requisitioning any public record or copy thereof from any court or office; issuing notices for the examination of witnesses and documents; and any other matter which may be prescribed.

Section 8(2) empowers the Commission to regulate its own procedure. Sections 14 and 15 provide that the Commission shall prepare its annual report for each financial year together with a memorandum of action taken on the advice tendered by the Commission under Section 9 and the reasons for the non-acceptance, if any, of any such advice and the audit report shall be laid by the Central Government before each House of Parliament.

As per the procedure laid down by the Commission under Sub-Section (2) of Section (8) of the National Commission for Backward Classes Act, 1993 the advice of the Commission may be formulated unanimously or by consensus or by majority. Where there is no unanimity or consensus, the advice of the majority will be tendered as the Commission's advice but the dissenting advice also will be furnished to Government. In regulating its procedure under Section 8(2) of the Act, the Commission has been guided by the principles of objectivity, transparency and speed. In fact soon after the Commission was established, it took the following steps under Section 8(2) of the NCBC Act, 1993 :-

- (i) Formulated the procedure for examination of requests for inclusion in the lists and complaints of over-inclusion or under-inclusion in the Central list of Backward Classes.
- (ii) Formulated guidelines for consideration of requests for inclusion and complaints of under-inclusion in the Central list.
- (iii) Prepared a questionnaire for obtaining data in respect of requests for inclusion of castes/communities.

The Commission has been making additions and streamlining this procedure from time to time, based on experience and according to needs.

Conferment of Review Powers on the Commission

The Powers of the Commission has been widened by Gazette Notification No. 12011/9/2007-BCC dated 03/05/2011 wherein the Commission has also been given the powers to review any earlier advice tendered erstwhile to the Central Government under sub-section (1) of Section-9 of NCBC Act, 1993.

Chapter III

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of National Commission for Backward Classes (NCBC), New Delhi for the year ended 31 March 2017.

We have audited the attached Balance Sheet of National Commission for Backward Classes (NCBC), New Delhi as at 31 March 2017, Income & Expenditure Account and Receipt & Payment Account for the year ended on that date under Section 19 (2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with Section 13 (2) of the National Commission for Backward Classes Act, 1993. These financial statements are the responsibility of the National Commission for Backward Classes, New Delhi management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Report/CAG's Audit Reports separately.

3. We have conducted the audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- ii. The Balance Sheet, Income & Expenditure Account and Receipt & Payment Account dealt with by this report have **not** been drawn up in the Uniform format of accounts approved by the Government of India, Ministry of Finance.
- iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Commission as required under section 13(1) of the National Commission for Backward Classes Act, 1993 in so far as it appears from our examination of such books.
- iv. We further report that:

A. General

A.1 As per uniform Format of Accounts, Accounts should be prepared on accrual basis. Accordingly, claims pertaining to the financial year but not paid during the year should be depicted on liability side of the Balance Sheet and corresponding expenditure should be debited to year to which the expenditure pertains. The Council has not been booking expenditure on Salary and Consultancy fees pertaining to March as expenditure of the year corresponding to which the salary pertains. Instead, these

are being booked in next year corresponding to the year of actual payment. However, this is not in accordance with the accrual system of accounting and as per Uniform Format of Accounts.

A.2 The commission has added Assets amounting to Rs. 16,73,651/- to Fixed Assets during 2016-17, which include Rs. 1,37,075/- on account of Air-conditioners and Rs. 3500/- on account of Telephone Equipment. However, in the Asset register the value of Air-conditioners purchased during the year 2016-17 was not specified, and no entry was made in respect of purchase of Telephone equipment. In absence of relevant entries, value of assets as on 31.03.2017 shown in the Balance Sheet could not be verified.

A.3 Following differences were noticed between figures as per Ledger and those as per Schedules attached with the accounts:

S.No.	Description	Figure as per Ledger	Figure as per Schedule
		Receipt	Receipt
1.	Licence Fee	91285	93094
2.	Income Tax	3850750	3876809
3.	C.G.H.S.	85575	90350
4.	C.G.E.G.I.S.	15294	16098
5.	G.P.F. Subscription	3560389	3706289
6.	H.B.A. Advance Recovery	43865	47510
7.	Festival Advance	16200	19800

The NCBC has attributed these differences to software malfunctioning. NCBC may ensure that adequate internal control mechanisms are deployed in its accounts software to ensure accuracy of figures generated.

A.4 An amount of Rs. 4.29 lakh was shown as recoverable against Advances for Computer and LTC Advance under the head "(B) Advance to Employees" in Schedule - C "Contingent & Other Advances". Out of total LTC advances an amount of Rs. 0.9 lakh was lying unadjusted since 2010 whereas Rs. 0.10 lakh against Advances for Computer was pending since 2013-14. Urgent steps to clear long outstanding advances may be taken.

A.5 The Commission had a Saving Bank Account with State Bank of India (A/c No. 31025470138) with a balance of Rs. 75075 as on 31.03.2017 which was lying inoperative since September 2012.

B. Grants in Aid

Out of Grants-in-aid of Rs. 413.25 lakh received during the year 2016-17, from the Ministry of Social Justice & Empowerment, an amount of Rs. 13.24 lakh was received in March 2017. The Commission also had an unspent balance of previous year Grants-in-aid amounting to Rs. 61.24 lakh. Out of total fund available, the commission utilized Rs.470.26 lakh (Rs.453.52 lakh as Revenue Expenditure and Rs. 16.74 lakh as Capital Expenditure) leaving an unutilized balance of Rs. 4.23 lakh as on 31.03.2017.

C Management letter

Deficiencies which have not been included in the audit Report have been brought to the notice of the National Commission for Backward Classes (NCBC), New Delhi through a management letter issued separately for remedial/corrective action.

v. Subject to our observations in the preceding paragraphs, we report that the Balance sheet, Income & Expenditure Account and Receipt & Payment Account dealt with by this report are in agreement with the book of accounts.

vi. In our opinion and to the best of our information and according to the explanation given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:

- (a) In so far as it relates to the Balance Sheet of the state of affairs of the National Commission for Backward Classes (NCBC), New Delhi as at 31 March, 2017 and
- (b) In so far as, it relates to Income and Expenditure Account of the surplus for the year ended on that date.
